SUMMARY

Results-driven and detail-oriented software engineering graduate with a solid foundation in development and a knack for effective problem-solving. Enthusiastic about tackling challenges and dedicated to continuous learning and innovation in the ever-evolving technology landscape. Seeking an opportunity to leverage my skills to make meaningful contributions to innovative projects and help drive technical excellence.

EXPERIENCE

Web Developer Bharat Intern

August 2023 - September 2023

- Designed and implemented web pages from scratch, utilizing HTML, CSS, and JavaScript to achieve optimal functionality and responsiveness on different screen sizes.
- Designed and developed responsive websites that ensured a seamless user experience across various devices and screen sizes.

Web Developer InternPe

July 2023 - August 2023

- Developed responsive and visually engaging web pages using HTML, CSS, and JavaScript, contributing to the user-centered design and ensuring optimal viewing experiences across devices.
- Gained hands-on experience in front-end development to build interactive and visually appealing web interfaces.

PROJECTS

Social Media React App

- Developed a dynamic social media app using React, creating modular React components to manage user profiles, posts, and interactive elements, optimizing code maintainability and encouraging reusability.
- Integrated state management with Redux to efficiently manage and update the application's data and user interactions.
- Github: <https://github.com/GarvitKansal/social-media.git>

E-commerce Website

InternPe • July 2023 - August 2023

- Designed and implemented an E-Commerce website dedicated to showcasing and selling Nike shoes.
- Utilized HTML, CSS, and JavaScript to create a dynamic and responsive platform optimized for seamless user interaction.
- Github: <https://github.com/GarvitKansal/e-com-website.git>

EDUCATION

B.Tech

Ajay Kumar Garg Engineering College • Ghaziabad • 2024 • 7.6

Intermediate

Ch. Chhabil Dass Public School • Ghaziabad • 2020 • 95.4

High School

D.A.V. Public School • Ghaziabad • 2018 • 93

CERTIFICATIONS

Internship Completion Certificate

InternPe • 2023

Translated theoretical knowledge gained from coursework into practical skills during an intensive web development internship. Actively applied concepts of HTML, CSS, and JavaScript to real-world projects, solidifying classroom learning through hands-on experience.

Complete Python Bootcamp From Zero to Hero in Python

Udemy • 2021

Completed an intensive Python Bootcamp on Udemy, gaining comprehensive knowledge of the Python programming language and its applications in various domains.

SKILLS

C/C++

Data structures & Algorithms(DSA)

HTML
